Words of love, so soft and tender
Won't win a girl's heart anymore
If you love her then you must send her
Somewhere where she's never been before
Worn out phrases and longing gazes
Won't get you where you want to go (No!)
Words of love, so soft and tender
Won't win her
You ought to know by now (You ought to know by now)
You ought to know (you ought to know)
You ought to know by now (you ought to know by now)
Words of love, so soft and tender
Won't win her anymore

You ought to know by now (you ought to know by now)
You ought to know (you ought to know)
You ought to know by now (you ought to know by now)
Words of lover, so soft and tender
Won't win a girl's heart anymore
If you love her then you must send her
Somewhere where she's never been before
Worn out phrases and longing gazes
Won't get you where you want to go
Words of love, soft and tender
Won't win her anymore
Anymore!
