(P.F. Sloan--Steve Barri)

From the time I fall asleep till the morning comes I
dream about you baby.

And I feel alright, 'cause I know tonight I'll
be with you baby.

And who makes me feel like smiling when the weary
day is through?

(Who?) You baby, you. (I'm talking about my baby
yeah)

No one but you, you baby---nobody but you.

(Who?) You baby, you. (Baby, yeah.)

No one but you, you baby--nobody but you.

They say candy is sweet, but it just can't compete
with you, baby.

You've got everything I need and nobody can
please like you, you baby.

And who believes that my wildest dreams and my
craziest schemes will come true?

(Who?) You baby, you! (I'm talking about my baby
yeah)

No one but you, you baby---nobody but you.

(Who?) You baby, you! (Baby, yeah)

No one but you, you baby---nobody but you.

A little ray of sunshine, a little bit of soul,
Add just a touch of magic, it's the greatest thing
since rock n' roll.

Yeah, baby

(You) You baby, you! (I'm talking about my baby
yeah)

No one but you, you baby---nobody but you.

(You) You baby, you.

No one but you, you baby---nobody but you
