Take a ride  
Take a nice long holiday  
From the fear  
That's been keeping you at bay  
Into a warm place  
Smile shines on your face  
Fall into the arms of heaven  
Faith is believing  
In all you've been dreaming  
The sky is the limit  
If your heart is in it  
Believe oh believe  
I hear  
That you sure could use a break  
From your tears from your loneliness and pain  
Don't be afraid to fall  
Give in and give your all  
Sweet is the taste of surrender  
Sweet is the taste of, yes, sweet is the taste of  
surrender
