Can you hear me
Luke 22:39-46, Matthew 27: 19-26
Hey can You hear Me
Are You really out there
Oh I am trapped in the cages
Of the scars I must bear
And I can't tell and I can't speak
I can't even repeat what it is
Hey can You see Me
See these hollowing eyes
Don't You think something is missing
In My calm peaceful smile
But I can't tell and I can't speak
I can't even repeat what is
Chorus:
Can You hear me
Hear the sound of My pain
Can You hear Me
Hear the words I don't say
Hey what's your problem
Cant you hear what I said
I am here drowning in sorrow
While you sleep on your beds
And I can't tell and I can't speak
I can't even repeat what it is, oh
Bridge: I get down on My knees
And I cry to You
Oh Lord give me all Your strength
Help Me make it through
I reach out to You
Oh can You hear Me, hear Me, yeah
Hey can You hear Me
Someone whispered to Me
I understand all Your hurting
How You ache how You bleed
But the scars that You bear
Will one day make the whole world free
Satan is a liar down in the mire
But I can hear You
I hear the sound of Your pain
I can hear You oh yeah
I hear the words You don't say

I can hear You, hear You
I can hear You, can You hear Me?
Can You hear Me?
