Intro:]

Oooh yey yea yeey

Ooooooh yeee

I'm coming home baby just hold on

Yeeah

[Verse 1:]

Oooh yey yeah yeey

Ooh yeah

I'm coming home (yeah)

There was a time when all I wanted to do

Was the only things that mattered to me (yeeah)

But when a man and a woman builds their home

A man's gotta do what his family needs him to do

[Chorus:]

When I come home everything should be alright

So mammy hold on everything will be just fine

So when I'm coming everything should be alright

So baby hold on everything will be just fine

[Verse 2:]

Sad I know you I know you miss the day

And I know the children too

So many times I'm not far away

It's not a few that carry me through the day

It's not easy for a man to live this way

But I do that why I pray

[Chorus:]

When I come home everything should be alright

So mammy hold on everything will be just fine

So when I'm coming everything should be alright

So baby hold on everything will be just fine

[Bridge:]

Hooold on mmmmmm...

Hooold on

You've got to hooold on

You just tell her hooold on

Eeeh

[Chorus:]

When I come home everything should be alright
So mammy hold on everything will be just fine
So when I'm coming everything should be alright
So baby hold on everything will be just fine
