Deep, like the ocean You move me  
Deep, it's like You almost consume me  
I sing because it's burning inside me  
I think it's the place where You find me

Oh God, my God  
Oh God, my God  
I'm thirsty for Your love  
So fill me up, Oh fill me up  
I just can't get enough  
It lifts me high, high

Deep, but sometimes I am shallow  
You lead, but often I just don't follow  
And I need you like the desert needs water  
And my peace is knowing that You are my Father

Oh God, my God  
Oh God, my God  
I'm thirsty for Your love  
So fill me up, Oh fill me up  
I just can't get enough  
It lifts me high, high

Take me to the waterfall  
Take me to the shore  
Take me to the mountains  
And let it pour, pour  
But can You take this desert soul  
Thirsty and it's dry  
A single prayer upon my lips  
I lift it to the sky

High, High

Oh God, my God  
Oh God, my God  
I'm thirsty for Your love  
So fill me up, Oh fill me up  
I just can't get enough  
It lifts me high

It lifts me high  
It lifts me high  
It lifts me high, high
