Do you believe in miracles (do you believe) maybe we  
can change the world (change the world) maybe we  
can make a better life can you see the light

Verse 1: hey you gotta go forward go forward man it  
life you gotta go forward go forward no matter what  
you go through to get through it (hey) they say that we  
can't do the impossible and I'm like man whay can't I  
try the only thing capable of stopping you is your  
pride(is your pride)

Verse 2: it's your rhythm it's your effort it's your stride  
to make it work... it's persistence it's resistance it's  
desire to be first it's your honor it's your thirst what the  
milk is what it's worth I see the light I see the light I see  
light yeah

(Chorus) do you believe in miracles (do you believe)  
maybe we can change the world (change the  
world) maybe we can make a better life can you see  
light

O o o I see the light now o o o I see the light now o o o I  
see the light now o o o (x 3)

Verse 3: it's the reason why I sing it's the wind beneath  
my wings... it's the sunshine on my face cause I know  
it's a brand new day... but it's not courage in my heart  
cause it always seems so far do you believe in miracles...  
I see the light yeah

Verse 4: true fans new fans all put in but true fans give  
back what you put in... so I put in all of me the  
difference between the apathy

Either you can or you can't you do or you don't either  
you are or you ain't or you will or you won't but me if I  
can see this than I believe it if I dream it and see it than I  
can believe it..

Do you believe in miracles (do you believe) maybe we  
can change the world (change the world) maybe we  
can make a better life can you see the light

Chorus fade off
