Now how you gone act  
Oh you gone be right back  
Well we gone be right here  
We gone be right here  
We aint going Nowhere  
Welcome to Dc

(verse 1)

Dc, the home of chuck brown  
Oh you don't know the sound?  
Well let me break it down  
The G-O the G-O  
The M-A-M-B-O  
See though,  
Went been pumping crank since an embryo,  
Really though.  
It's the city where the people hold the power,  
And you can see 9 dimes every half an hour,  
Where lunchin and Jo is the Lingo,  
And brothas rob, so aint nobody  
Rockin Mink Coats.  
Take ya back to the madness hats or how,  
The city renamed cigarettes jacks or how,  
Even the mayor had a run in with Crack,  
But we all kept it real and we voted him back.  
But, we got no stars that Spit on bars,  
Like BET wasn't birthed in our backyard

So are N-E-G our Essence and our Backyard  
And Junkyard got us all goin hard.

(chorus)

(verse 2)

IÂ'm from the city the district,  
I own up to it.  
But right now I gotta real big bone to pick.  
When this industry gone let us get some ownership?  
We gotta take it huh?  
Well we own it then.  
This aint a hit and run,  
No were not an accident.  
More like a hit and hold  
Sorta like we tacklin.  
And we crank so hard cause we be praticin  
And this I just the beginning slim,  
We just scrimmaging, So  
Lace up ya Nike boots and pass with the timberlandsÂ'.  
Where them brothers off the boat like they Gilligan,  
What a condition that we livin in  
Got us Fightin over land that aint ours like Cowboys and  
Indians  
So football, yup  
Cowboys and Indians  
And politics, yup  
Cowboys and idiots.  
But much love to VA and MD  
ThatÂ's why the new DC is the DMV.

(Chorus)

(verse 3)

Truth is this, this here is proof Thiers  
Room to take it up a few gears, give us a few years  
Let us test some ears  
WeÂ'll be a brand new best of theirs,  
Scoring a hundred on ya questionnaires  
Cause if the question is, Â"is we the truth?Â"  
Then check the Yea  
Cause if you check the No,  
Somebody better check the air  
But check the water cause thereÂ's something in it  
We canÂ't afford to be bush thereÂ's only one in the  
district

We aint goin nowhere

We aint goin nowhere  
We gone be right here

We aint goin nowhere  
We gone be right here  
We aint goin nowhere
