Got em outta ma way up on a runnin spree
And if ya wanna hate me just go for a tea
Just fill up tha milk from ya mama's saggy tree

And i got a papa who's just fuckin around
But aint gon stop me doin what i do

That caught me chasing papers like a real mad dog

Mad cops chase me

For tha next birth or ma next love, next surf
Whats so great baby ??

Imao ready child aborted after my dam birth
Tha best of tha best Imao aint among tha millions
but one in a million some say one in a trillion ???
Imao like friction in tha floor imao killin all tha haters
Filled wit a dozen of em fuck em had em just dealen
By the end of one I have the start of two and by
the solve of two I have the third Im doom
Problems never gonna be missing ma spot
Ma life's painted wit it an art in ma blood
Ima chasin da bills like a cat and a mouse
Gotta debt collectors so i gotta run
Ima gotta do this say not once in a while
So what so great about it thats life
Ima born with millions and dumped with millions but
Motherfuckkas they just come in and get paid millions
Not a single expenses all about dispenses even the
pussies of
their daughters has just been invested
