Stripclub  
Tere mei hoo ha naa  
Stripclub  
Me hoo tere jaanu  
Stripclub  
Thu hai mere stripper  
Strip a Strip a Strip Strip it out now

Its a stripclub where ladies let it loose  
Its a stripclub where we get some booze  
Its a countdown where the fastest rules  
When we take it to the bed it screams out " woo "  
Take a break Mamiboyz in the house  
So Dj ya better do ya job  
I'ma start rollin with the strippers in the club so guys  
leave  
ya girlfriends out and join the fun  
Its the toppest choice of cuban girls  
They strip it down like ey have no fear  
A look in their eyes and ya see things clear  
They make ya lose out so feel the pleasure  
I'ma move closer I'ma classroom topper  
A sealer when it comes down I'mao a dealer  
I aint a player like the rest I'mao killer  
I pierce like the dagger  
So strip it baby I see ya do  
I'mao love this even if ya speed up two  
So be real quick and hit the blues  
I'ma hacker in this game so take it cool

Stripclub  
Tere mei hoo ha naa  
Stripclub  
Me hoo tere jaanu  
Stripclub  
Thu hai mere stripper  
Strip a Strip a Strip Strip it out now

Mamiboyz steps in the club with his tauntings  
An act of perserverance I'm in for hookings  
Imao tactical sometimes supernatural with the ladies  
Knocking them off their feet a task for me to worry ??

I'm in the mist and middle of the strippers

guess thats only me even wit ma cuffles  
I aint gonna rip it down makin it a peeker  
Coz mines a one time VIP status

My man cross limits when it comes to strippers  
We like self service strippers to the hooderz  
We walk in the club i see buttons loosen up  
You know drop real fast for us  
We just Superstars !!!  
Coz All of them just wanna get in your pants  
But mamiboys unlike wanna heat up and tense  
We watch ya do ya thang and nothin else  
Coz we the artistic crew who sit back wit the cans

Check that making the mamis glow  
We gon make some mamis go howling "OHH"  
Its a party dine endin up kinda slow  
When its done it gonna just be raining snow

I walk in the Casino's  
Invite tha haters  
End of the day they just become lovers  
Me and ma crew ey just love it when we do  
Tha rap shit flows in ma blood what it do  
SO  
Stay tha fuck out of ma game let me do what i do  
Be the fuck I wanna be so let me do  
Damn well ya know how i flow in this mania  
Never needed someone aside to be ma companion

Cool enough dude tha chicks feels good  
I'ma physchotic boy say straight from tha hood

Coz  
I hypnotised tha dolls
