I was cheated by you and I think you know wen, so I
made up my mind it
Must come to an end, look at me now will I eva learn I
don't know how but
I suddenly loose control there's a fire within my soul
just one look and I
Can hear a bell ring one more look and I forget
everything whoa oh mama
Mia hear I go again my, my how can I resist ya mama
mia does it show
Again just how much I miss ya, yes I been broken
hearted blue since the
Day we parted why, why did I eva let you go mama mia
now I really know
My, my I should not have let you go

I was angry inside wen I knew we were through I can't
count all the times
I've cried over you look at me now will I eva learn I don't
know how but I
Suddenly loose control there's a fire within my soul jus
one look and I can
Hear a bell ring onr more look and I forget everything
whoa oh mama mia
Here I go again my, my how can I resist ya mama mia
does it show again
My, my jus how much I miss ya. yes I've been broken
hearted blue since
The day we parted why, why did I eva let you go mama
mia here I go again
My, my how can I resist ya mama mia does it show
again my, my jus how
Much I miss ya.

Mama mia here I go again my, my how can I resist ya
mama mia does it
Show again my, my jus how much I miss ya, yes I been
broken hearted
Blue since the day we parted why, why did I eva let you
go mama mia now
I really know my, my I should not have let you go.
