I've seen you twice, in a short time  
Only a day since we started  
It seems to me, for every time  
I'm getting more open-hearted

Your smile and the sound of your voice  
And the way you see through me  
Got a feeling you give me no choice  
And it means a lot to me  
So I wanna know

What's the name of the game  
Does it mean anything to you  
What's the name of the game  
Can you feel it the way I do  
Tell me please, 'cause I have to know  
I'm a curious child, beginning to grow

And you make me talk  
And you make me feel  
And you make me show  
What I'm trying to conceal  
If I trust in you, would you let me down  
Would you laugh at me  
If I said I care for you  
Could you feel the same way too  
I wanna know

The name of the game

I have no friends, no-one to see  
And I am never invited  
Now I am here, talking to you  
No wonder I get excited

Your smile, and the sound of your voice  
And the way you see through me  
Got a feeling, you give me no choice  
And it means a lot to me  
So I wanna know

What's the name of the game  
(Your smile and the sound of your voice)  
Does it mean anything to you  
(Got a feeling you give me no choice)

And it means a lot, what's the name of the game  
(I was an impossible case)

Can you feel it the way I do  
Tell me please, 'cause I have to know  
I'm a curious child, beginning to grow

And you make me talk  
And you make me feel  
And you make me show  
What I'm trying to conceal  
If I trust in you, would you let me down  
Would you laugh at me, if I said I care for you  
Could you feel the same way too  
I wanna know  
Oh yes I wanna know

The name of the game  
(I was an impossible case)  
Does it mean anything to you  
(But I think I can see in your face)  
That it means a lot  
What's the name of the game  
(Your smile and the sound of your voice)  
Can you feel it the way I do  
(Got a feeling you give me no choice)  
And it means a lot, what's the name of the game  
(I was an impossible case)  
Does it mean anything to you  
(But I think I can see in your face)  
That it means a lot
