I am a refugee  
I'm homeless in this world that we call earth  
But I'm not staying here for good  
Cause I am on my way  
I have a home that's been prepared for me  
And when I'm there I've reached my goal  
This world is killing me, it's hurting me, it's draining all  
my strength  
I don't know how much longer I stand to face the pain,  
To feel the hate, see all the evil in the world  
Some days a day feels way to long

Chorus:  
I don't belong here  
In this hell we're in  
I've had enough now  
Take me home  
People are bleeding  
End this misery  
Lord I'm ready take me home

What is the meaning Lord?  
How long will it take 'til you decide to bring us home  
Can you tell me why you wait?  
There are teardrops everywhere  
Your children cries, there's darkness all around  
Feels like your light is fading out  
I put my trust in you, don't let me down  
God I won't survive  
Unless your promises are real  
Take us to Zion Lord, your promised land  
Where sorrow won't be known  
Oh how I long to face your glory
