Hello, my love  
Been sleeping once again  
Rise up sunshine  
Its time to wake up  
Stop your thinking  
Come to be and  
Take my hand and  
We'll be moving  
Following you following me  
Its been way to long

da dadadada  
da da dadada  
da dadadada  
da da dadada

Hello, my love  
Our smiles will lead the way  
Ready set go  
New eyes to see through  
Have a notion  
Swing full motion  
Jump with me  
Into the ocean  
Following you following me  
Its been way to long

da dadadada  
da da dadada  
da dadadada  
da da dadada

A brand new light is coming round  
A brand new light is coming around  
Come on now and just take my hand  
My new friend  
And we'll sing

Hello, my love  
The wind is flowing in  
Reach out hold tight  
We're on our way now

To open spaces  
Learning faces  
Come with me now  
Discover places  
Following you following me  
Its been way to long

da dadadada  
da da dadada  
da dadadada  
da da dadada
