Said keep your distance
You said that you want me away from you
And I made a deal with myself that I'd do what you
want me to

Given up on trying (given up on trying)
To make you change your mind (to make you change
your mind)
To your request I do comply
You can run but you know you can't hide

Turn up that radio (your radio)
There's not a place where you won't hear I'm sorry
anywhere
(2x)

Blocked my address
Now to get your attention's a dream come true
Take back each action
To retract each misspoken word to you

Given up on trying (given up on trying)
To make you change your mind (to make you change
your mind)
To your request I do comply

You can run but you know you can't hide

Turn up that radio (your radio)
There's not a place where you won't hear I'm sorry
anywhere
(2x)

I'm on the radio, whoa (2x)

Laid this down on paper but
The words don't seem so relevant
I hope the message gets across to you

Now that your ear is turned to me
Albeit somewhat forcefully
Choose for yourself what to believe

Just don't touch that dial my sweet

I'm on the radio, whoa (3x)
