Been broken, I've been torn
Felt exiled and alone. I've been astray.
Yet all through this I've known
Exactly where my home would still remain

Chorus:

I've wasted so much time
I've wasted all the fuel you gave
I never want to turn away

Let this song remind me of my promise
That I'd never turn away
Let this song remind me of my promise
That I always would obey

These past two years have been
The hardest and the best I've ever seen
And now my faith in me I watch it
As it patiently just fades away

I've wasted...
[Repeat chorus]
