Say what you want to say  
If you have to  
Say what you really think  
If it makes you feel right  
As soon as you think of it  
Let it out, I won't mind

And now that I think of it  
I will ask you  
To say what you really think  
I swear I'll be fine  
Enough holding out on me  
Just answer me, why?

Why would you want me to walk away now?  
Why would you want me to walk away now?  
Why would you want me to walk away, walk away now?

I think there's a part of me  
That still wants to  
Believe everything it hears  
And I silence it now  
So quit holding out on me

Just answer me, why?

Why would you want me to walk away now?  
Why would you want me to walk away now?  
Why would you want me to walk away, walk away now?  
(3x)

Say what you want to say  
If you have to  
Say what you really think  
If it makes you feel right  
As soon as you think of it  
Let it out, I won't mind

Now that I think of it  
I will ask you  
To say what you really think  
I swear I'll be fine

Enough holding out on me  
Just answer me, why?
