If you were an electrical device then I would be your
socket

I am glad to see you Â– this is no gun in my pocket
Â‘Cause IÂ’m sleazy

IÂ’m the kind of guy who likes to sing about his penis
LetÂ’s stop beating around your bush
And get something straight between us
Sleazy

Do you come here often baby Â– baby whatÂ’s your
sign
Do you have protection Â– IÂ’m already wearing mine
Sleazy

(Gigantic random James rave)

I am not the kind of guy who just thinks about sleaze
Look Â– I have brought some knee-pads so that you
wonÂ’t hurt your knees
Â‘Cause IÂ’m sleazy

Come on baby whatÂ’s your problem Â– come on take a
chance
Is that a mirror in your pocket or can I just see myself in
your pants
Sleazy

Do you come here often baby Â– baby whatÂ’s your
sign
LetÂ’s stop all this talking darling Â– your gene pool or
mine
Sleazy

**** Interesting bits ****

This was originally recorded for the Drowning Hitlers.

On the recording on Ultrasounds, I believe the
preacher says:

"Oh Lord Keep us safe from our own wandering hands
and minds and hearts.

It is written in the book of Recidivist that I have no need

to gargle with your evil satanic mouthwash.
The lord is my dentist, I will not floss."
