all i want to be is a shovely bubbly gobbly gook
a seagull stole him from his slow mama's hands
aboard
the boat the sweet louisa
and dropped him in the meadow-lands where wild
hyenas
taught him how to hunt old elephants
so he spent his formative years eating out
badunkadunk
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
he travelled across the sea in the belly of a japanese
businessman on a pleasure ship to france
and he don't know why she loves him
and he don't know why the sun sets but fee fi fo fum
i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
bang pow pow pow ahhhhhh
and her father hated him with the passion of a dying
chinaman
he said get him out of here or i'm gonna bite of his
face
no daddy daddy don't daddy daddy
get the f**k out of my house
no daddy daddy don't daddy daddy
this is my house my house
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
fee fi fo fum i smell the blood of an englishman
