Wait! Stop! I'm not ready.
She left me dead in the van.
My stomach feels like it's burning.
I tried to write but I can't.

So now I lay with the yearning to know anyone but any
of you.
If you only knew the amount of thought that I put into
you.

And I can't stop thinking about the way this one called
my name.
Before we pulled out of the driveway
Just to tell me to check my messages
Don't need to tell me about my messages.
There's a few that I've been putting lots of myself into.

Fuck it, hang up.
It's not easy like it was in the fifth grade.
