I figured I'd go
At the least to check in cause I just miss her grin
And to show...
That I didn't really never wanna see you again...

And my heart
Caves in when I look at you...

This is so hard

Do you take pictures off the walls
When you know I'm coming to your room
Do you hide all the stuffed animals the other boys
bought for you...

I wasn't surprised
She was chillin' lookin' hot in her bed smoking pot...
And I kept my distance I was a "good boy"

And my heart
Caves in when I look at you...

This is so hard

Do you take pictures off the walls
When you know I'm coming to your room
Do you hide all the stuffed animals the other boys
bought for you...
