Open your eyes kid,  
You know I'm on your side kid.  
I'd like to save the world,  
And you could be my sidekick.

They'll all say our names.  
As the words down on the paper answer yesterday's  
dreams.

I've lived a lie kid.  
I'd love to run and hide kid.  
You could say, "Fuck them all." and ditch the world like I  
did.

They'll all say our names. (They'll all say our names)  
As the words down on the paper answer yesterday's  
dreams.

We could be untouchable. Untouchable.

They'll all say our names. (They'll all say our names)  
As the words down on the paper answer yesterday's  
dreams.

We could be untouchable. Untouchable.

We could be... We could be... Yeah!

We could be, we could be, we could be untouchable,  
untouchable, untouchable, untouchable.

We could be, we could be, we could be untouchable,  
untouchable, untouchable, untouchable.
