She said:

"Okay I'm sorry I know I'm not perfect all the time"

But take a look in the mirror

I'm not the one who's breaking promises

Failed to not accomplished all that

which that I have tried

But take a look in the mirror

I'm not the one who's breaking promises

Look at us now

This isn't how we wanted us to turn out

Relationships fall like leaves from a tree

I tried to make you believe but your reluctant right now

(OH!)

I'm getting weaker

I'm going nowhere

Fading out slowing just like a movie would

I called you last night

With the usual result

Look at us now

This isn't how we wanted us to turn out

Relationships fall like leaves from a tree

I tried to make you believe but your reluctant right now
