As she walks down the stairs,  
Suddenly the whole room stands in pairs.  
No ones arm to hold, not for now.  
Sleepless nights alone.  
As she walks down the stairs  
Shes not enough.

Why is nobody alone but me?  
What is it that everyone else has?

A spine. A mind.  
And Im just not like them  
Theyve got pretty eyes and white lies  
And real friends, Ill never fit in.  
Im different.

As he walks in the house  
Everybodys got him figured out.  
And all the girls lay traps it seems for him.  
Can he take one back?  
As he walks, in the house hes not enough.

What is it that everyone else has?

A spine. A mind.  
And Im just not like them  
Theyve got pretty eyes and white lies  
And real friends, Ill never fit in.  
Im different.

So what is it that everyone else has?  
Just tell me everything you know  
What is it that?

A spine. A mind.  
And Im just not like them  
Theyve got pretty eyes and white lies  
And real friends, Ill never fit in.  
A spine. A mind.  
And Im just not like them  
Theyve got pretty eyes and white lies

And real friends, Ill never fit in.  
And real friends, Ill never fit in
