Bittersweet memories
Of love we had before
Blinded by sanity
What's behind the crimson door?

What happened to my eyes?
Incapable of seeing signs
There's just one miracle
That's left of this love

After the rain
I still see heaven crying
After the rain
I still feel no relief
'Cause everything we used to be
And used to feel
At all becomes so frightening real
After the rain

Rainbow skies turned to grey
Ever since we lost our smile
Innocence gone astray
Since the day we said goodbye
What happened to our dreams?
Aborted in this dried out stream
There's just one miracle
That's left of this love

After the rain
I still see heaven crying
After the rain
I still feel no relief
Cause everything we used to be
And used to feel
At all becomes so frightening real
After the rain

After the rain
I still see heaven crying
After the rain
I still feel no relief
Cause everything we used to be

And used to feel
At all becomes so frightening real
After the rain
