Dysfunctional family
Iâ€™m a punk Iâ€™m a sinner
Iâ€™m lost new beginner
Iâ€™m a threat to myself
Iâ€™m a get Armageddon
Iâ€™m a freak Iâ€™m a liar
Iâ€™m a flirt I deny that I now it
then i mess it up

And sometimes I feel like
Iâ€™m only one
Now wonder why Iâ€™ve become
So dum so dum di dum di dum

I get more and more strange
Iâ€™m going insane Iâ€™m building it up
Just to break it down
you get what you see
were going on the product
of a dysfunctinal family

Dysfunctional, dysfunctional
Dysfunctional family
Dysfunctional, dysfunctional
Dysfunctional family

ima a bit suicidal
Iâ€™m my own worst rival
Train wreck, white trash, freak, maniac, psycho
Iâ€™m a troublemaking rebel
Made a deal with the devil
Iâ€™m way past ever coming back

But sometimes I feel
Like Iâ€™m not the only one

When I see why Iâ€™ve become
So dum so dum di dum di dum

I get more and more strange
Iâ€™m going insane Iâ€™m building it up
Just to break it down

you get what you see
were going on the product
of a dysfunctional family

Dysfunctional, dysfunctional
Dysfunctional family
Dysfunctional, dysfunctional
Dysfunctional family

Iâ€™m not anybody
Donâ€™t you cry for me?
Iâ€™m just from a dysfunctional family

Family family family family Family family family family
Family family family family

I get more and more strange
Iâ€™m going insane Iâ€™m building it up
Just to break it down
you get what you see
were going on the product
of a dysfunctional family

Dysfunctional, dysfunctional
Dysfunctional family
Dysfunctional, dysfunctional
Dysfunctional family
