I don't believe in miracles, I never did  
Nothing never happens here  
So sick of it, I, I, I told you  
I, I, I need to

Get, get myself into something new  
I offer something mystical  
Hysterical, dark and tantricseksual

I'm not gonna live forever  
Said I'm not gonna live forever  
Better make it now or ever  
E-e-e-ever, e-e-ever

I'm not gonna live forever  
Said I'm not gonna live forever  
Gotta make it now or never  
Forever or never

I don't believe in fairytales  
Just send the code  
Everybody stop instead  
I let it go, I, I, I told you

I, I, I need to

Stick, stick, stick out of  
Just can't believe you  
Set myself to out in space  
A better place  
Gotta win the human race

I'm not gonna live forever  
Said I'm not gonna live forever  
Better make it now or ever  
E-e-e-ever, e-e-ever

I'm not gonna live forever  
Said I'm not gonna live forever  
Gotta make it now or never  
Forever or never

I'm not gonna live forever  
Said, I'm not gonna live forever  
Better make it now or ever  
E-e-e-ever, e-e-ever

I'm not gonna live forever  
Said, I'm not gonna live forever  
Gotta make it now or never  
Forever or never, eh, eh, eh, eh
