I don't know what you've been through
I see it on you
I don't know what you've been through
Know how does it feel?
How does it feel?
How does it feel?
Now how does it feel?

You've always been just like a riddle
I find you so hard to figure out
I could just wander till forever
Still there's something I don't know about

How does it feel?
I don't know what you've been through
I see it on you
I don't know what you've been through
Know how does it feel?
How does it feel?
How does it feel?
Now how does it feel?

Let me in it's now or never
No matter how I try to win
It never gets any better
And now I'm sitting here again

How does it feel?
I don't know what you've been through
I see it on you
I don't know what you've been through

Know how does it feel?
How does it feel?
How does it feel?
Now how does it feel?

Tell me now
Tell me how
I need to know
Tell me now
Tell me how

I need to know how it feels

How does it feel?
How does it feel?
Now how does it feel?

Tell me now
Tell me how
I need to know how does it feel?
Tell me now
Tell me now

How does it feel?
I don't know what you've been through
I see it on you
I don't know what you've been through
Know how does it feel?
How does it feel?
How does it feel?
Now how does it feel?

Tell me now
Tell me how
I need to know
Tell me now
Tell me how
I need to know how it feels
How does it feel?
How does it feel?
Now how does it feel?
