In your cage,
You're the one to rule the game.
Here you feel safe, but no one's gonna call your name.
You're a slave.
Your mind's directed by the tears stream.
No time to waste.
Life's more than what your eyes can see,
You've got to wake up and make a change.

In your cage you're a slave,
You've got to speak your mind.
In your cage, you're a slave,
You've got to leave the slave behind.
Behind, behind.

In your cage, no one's gonna question your place.
If you won't change, you have to play on higher steeds.
This heart is yours, no time to feed and fall for security.
Open your door.
You just need to turn the key.
'Cause no one's gonna live your life for you.

In your cage you're a slave,
You've got to speak your mind.
In your cage, you're a slave,
You've got to leave the slave behind.
Behind, behind.

Whoa oh oh oh
Whoa oh oh
Leave the slave behind.
Whoa oh oh oh
Whoa oh oh
Whoa
Leave the slave behind.
Behind, behind.

In your cage, you're a slave,
You've got to speak your mind.
In your cage, you're a slave,
You've got to leave the slave behind.
You've got to leave the slave behind.

In your cage you're a slave,
You've got to speak your mind.
In your cage, you're a slave,
You've got to leave the slave behind.
Behind, behind.

Whoa oh oh oh
Whoa oh oh
In your cage.
Whoa oh oh oh
In your cage.
Whoa oh oh
You're a slave.
Whoa oh oh oh
You're a slave.
Whoa oh oh
You've got to leave the slave behind.
