We all have our secrets  
The're better left unsaid  
We all have our issues  
That we want to forget

I was getting kicks  
Out of my box of tricks  
I way playing with her mind  
Planting bombs to get inside

But now my favourite toy has left  
And she said

There's no regrets  
Why's love and hate  
Always a step ahead  
What's left  
Caught in betrayal  
We fail  
Je ne regrette rien  
We failed we failed we fail  
Je ne regrette rien

It was all so cosy  
Her world of lillipinks  
Rubbing all my glitter  
On my litter to sink in  
Washing with the paste  
She used for the glaze  
I was cutting up her edges with disgrace

But now my favoruite toy has left  
And she said

There's no regrets  
Why's love and hate  
Always a step ahead  
What's left  
Caught in betrayal  
We fail  
Je ne regrette rien

There's no regrets  
Why's love and hate  
Always a step ahead  
What's left  
Caught in betrayal  
We fail  
Je ne regrette rien

I am jekyll when I'm hyde  
I'm a demon locked inside  
I am restless when I sleep  
I'm the beauty and the beast  
She knew me  
Yet she said

There's no regrets  
Why's love and hate  
Always a step ahead  
What's left  
Caught in betrayal  
We fail  
Je ne regrette rien  
We failed we failed we fail  
No, we fail  
Je ne regrette rien  
We failed we failed we fail  
Je ne regrette rien
