Love songs, they kill me
They kill me... Now

The curtain's closed
No way home
The nectar of life run dry
These tainted words
Made to hurt
Cut in me with its' knife
Eating my mind
And with each bite
I'm begging "Please Lord, no"
This place is a mess
The one has gone

Love songs, they kill me
They kill me... Now
Love songs are killing me
Are killing me... Right now

Trained to attack
Bull eye shot in black
I never thought they'd get me
These pictures in my head...
Lying in my bed...
These whips make me bleed
This place is a mess
My one has gone

Love songs, they kill me
They kill me... Now
Love songs are killing me
Are killing me... Right now

Love songs are killing me
Are killing me... Right now

Can't hear the sceneries
Of constant tragedies
Of what I meant to feel no more
'Cause I'm already dead
And I just cannot bear
To hear another word no more

Love songs, they kill me
They kill me... Now
Love songs are killing me
Are killing me... Right now
