Lovesongs, they kill me
They kill me now

The curtain's closed, no way home
The nectar of life run dry
These tainted words made to hurt
Cut in me with its' knife

Eating my mind and with each bite
I'm begging, "Please Lord, no"
This place is a mess
The one has gone

Lovesongs, they kill me
They kill me now
Lovesongs are killing me
Are killing me right now

Trained to attack, bull eye shot in black
I never thought they'd get me
These pictures in my head, lying in my bed
These whips make me bleed

This place is a mess
My one has gone

Lovesongs, they kill me
They kill me now
Lovesongs are killing me
Are killing me, right now

I can't hear the sceneries
Of constant tragedies
Of what I meant to feel no more
Cause I'm already dead
And I just cannot bear
To hear another word no more

Lovesongs, they kill me
They kill me now
Lovesongs are killing me
Are killing me right now
