Take my hand and lead me out  
Into the night  
Take me down  
Make all the wrongs feel right  
Lay with me now  
Follow me into a new sunrise

I'm a modern lover - A modern lover  
Yes I'm a modern lover - A modern lover  
I'm a modern lover - A modern lover  
Yes I'm a modern lover - A modern lover

We're breaking down all the walls  
That hold us in  
We're taking love to a new dimension  
Cherry kisses upon my tainted skin  
Flying high to a new adventure

'Cause I can be ur sister  
And I can be ur friend  
I can be ur brother  
Ur lover till the end

'Cause I'm modern lover  
A modern lover  
Yes I'm a modern lover  
A modern lover

Modern lover - modern lover  
Modern lover - modern love

Let me be the one who lights up ur fire  
Let me in let me cross ur wire  
Lay with me now  
Follow me into a new sunrise

'Cause I can be ur sister  
And I can be ur friend  
I can be ur brother  
Ur lover till the end

'Cause I'm modern lover

A modern lover  
Yes I'm a modern lover  
A modern lover

We're breaking down all the walls  
That hold us in  
We're taking love to a new dimension  
Cherry kisses upon my tainted skin  
Flying high to a new adventure

Take a shot through the heart  
Into the dark  
Be my fallen angel  
Open your mind - Give me a sign

Lover - Modern lover - Lover

'Cause I can be ur sister  
And I can be ur friend  
I can be ur brother  
Ur lover till the end

'Cause I'm a modern lover  
A modern lover  
Yes I'm a modern lover  
A modern lover  
Yes I'm a modern lover  
A modern lover  
Yes I'm a modern lover  
A modern lover
