You're too ashamed to tell 'em how you feel.
You hide your heart, too scared to reveal
The broken scars that are beggin' to be healed by you.
You're marching through and your trying to understand
Who writes the rules, who's got the master plan.
All we want is to hold somebody's hand.

Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - girls and boys
Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - Lonely toyz

And in the night you're heading for the clubs.
You know the Game, you have got the looks.
When you walk in, you know where this will end for
sure.
And all you want is some kind of a surprise,
Something new that will open up your eyes.
Recover senses you never thought you'd find.

Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - girls and boys
Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - Lonely toyz

Tears in Vegas...

And your heart's
Locked away,
In a plastic cage.
Seeking asylum.
Hiding in silence,
Wasting away...

Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - girls and boys
Tears in Vegas - Tears In Vegas

Who can save us?
We're all toyz - Lonely toyz

Tears in Vegas - Tears in Vegas
Who can save us?
We're all toyz - girls and boys
Tears In Vegas...
