I'm waiting all alone.
I'm calling, but your not home.
I'm hating the way you make me feel.
I'm saying you're to blame.
I'm wondering, did you feel the same?
I'm hoping do you feel this pain?

All my emotions are spinning in circles.
(In circles)

I've wasted all of my love on you.
Don't try to rewind,
I made up my mind.
I'm over you.
(Over you)
I've tasted so many tears for you.
Come look in my eyes, this is no disguise.
I'm over you.
(Over you)

You're jaded,
And now you know you've faded.
My heart's grown cold.
You waited,
Waited way too long.
You treated me so wrong,
When I needed to belong.
Are you hating,
Hating that I'm gone?
(That I'm gone)

All my emotions are spinning in circles.
(In circles)

I've wasted all of my love on you.
Don't try to rewind,
I made up my mind.
I'm over you.
(Over you)
I've tasted so many tears for you.
Come look in my eyes, this is no disguise.
I'm over you.

(Over you)

Never thought I'd get away.
I promise you it's over now.
It's over now.
It's over now.

All my emotions are spinning in circles.
(In circles)
(Circles)

I've wasted all of my love on you.
Don't try to rewind,
I made up my mind.
I'm over you.
(Over you)
I've tasted so many tears for you.
Come look in my eyes, this is no disguise.
I'm over you.
(Over you)
