Ladies and gentlemen here's your anthem, everyone

Can you put it up, can you raise it up

For the camera bounce like you getting crunk

I'm in my zone right now I'm in the groove right now

I sing along with the song like wow!!

Yeah that's the tune that makes me move,

Get loose off of music with attitude, uh

And I won't stop, let my body rock, so hot until I hear  
the countdown, like

Chorus:

4, 3, 2, 1

Chic, chic, chic, uh

Everyone to the dance floor

Everybody just rock tonight,

Everybody just bounce if ye feeling hype, hey

Chic, chic, chic, uh

Everyone to the dance floor

Everybody just rock tonight,

Everybody just bounce if ye feeling hype, hey

Everybody just rock tonight,

Everybody just bounce if ye feeling hype, hey

Break it down like a 1 o'clock, 2 o'clock

Base pounds till your ears pop, set it off

Get up off your seat doc, come alive

Step up off the wall girl, energize

D.A.N.C.E, for me V.I.P like you Got in for free

Till the last call, till the last song
