Intro: get me out, (now) get me out (now)

Verse I

Preacher, Preacher what you got for me save my soul  
See beneath, and clip my wings IÂ'm not an angel  
I try and try to be good, I bought my pride, I'm a  
crook  
Turn the lights down, burning up the night now

Sign my life out, IÂ'm sick of living in a shell  
If you can help choir boy ring the church bells  
IÂ'd turn back if I could, erase the pain if I could  
But IÂ'm an animal and I donÂ't know if I can

Chorus:

Hey!!!  
Cause IÂ'm the prodigal man of this avalanche  
IÂ'm going down, IÂ'm going down, down

Hey!!!  
And if you turn me in  
IÂ'll confess my sins  
IÂ'm going down, IÂ'm going down, down

Before IÂ'm six feet deep  
IÂ'm washing my hands clean  
Just get me out of this avalanche

Verse II

You scared the junk out of me man  
The Ghost Rider, hold my soul tighter  
Jehovah take the ropes IÂ'm a  
Fly a plane out of the atmosphere  
IÂ've attacked this fear  
This scar's still here  
IÂ'm going on to the end  
IÂ'm holding on to a friend  
IÂ'm going IÂ'm going  
I donÂ't care  
I cursed a lot

The worst, the black sheep of the lot  
Christopher Scott, prepare to meet God  
Chorus:

Hey!!!  
Cause Iâ€™m the prodigal man of this avalanche  
Iâ€™m going down, Iâ€™m going down, down

Hey!!!  
And if you turn me in  
Iâ€™ll confess my sins  
Iâ€™m going down, Iâ€™m going down, down

Before Iâ€™m six feet deep  
Iâ€™m washing my hands clean  
Just get me out of this Avalanche

BRIDGE

Just get me out of this avalanche  
Get me out, NOW  
Get me out, NOW  
Just get me out of thisÂ€...

Verse III  
You guided me when I was  
Blind with pride a right off  
Knocked me off my saddle  
Sabotaged and overshadowed  
Watched you chase a man down  
Watched you raise a man out  
Mercy on me, forever Iâ€™m free

Chorus:

Hey!!!  
Cause Iâ€™m the prodigal man of this avalanche  
Iâ€™m going down, Iâ€™m going down, down

Hey!!!  
And if you turn me in  
Iâ€™ll confess my sins  
Iâ€™m going down, Iâ€™m going down, down

Before Iâ€™m six feet deep  
Iâ€™m washing my hands clean  
Just get me out of this Avalanche

Bridge:  
Get me out, NOW  
Get me out, NOW

Just get me out of this avalanche  
Get me out, NOW
