Hey, I never said I was an angel, no  
I never said I wouldn't break down, yeah  
Beside myself, living in a cold cell  
Don't shut me out

Yeah, you look at me like I'm a stranger  
Yeah, you make me feel like I betrayed you  
Don't leave me stranded,  
As I reach out my hand

'Cause I wear my heart on my sleeve  
If you cut me I'll bleed  
I know I cannot erase  
Every mistake that I've made

I never said I was an angel, no  
I never said I wouldn't break down  
But life keeps on moving  
By now you should know

I'm only human  
Hey, hey, hey  
I'm only human  
Hey, hey, hey

Hey, got any grace for a failure?  
'Cause I'm feeling like I failed you  
Yeah, I lashed out, digging up my past  
O, I know let you down, yeah  
O, I'm still fighting for the future  
Yeah, 'cause I never wanna lose you

I'll keep on climbing  
If you're on my side

'Cause I wear my heart on my sleeve  
If you cut me I'll bleed  
I know I cannot erase  
Every mistake that I've made

I never said I was an angel, no  
I never said I wouldn't break down

But life keeps on moving  
By now you should know

I'm only human  
Hey, hey, hey  
I'm only human  
Hey, hey, hey

I know I'm breaking your heart  
Every storm that tears us apart  
I know I'm to blame for all the damage  
I've done

But you know that I'm ready to take the fall

I never said I was angel  
I never said I wouldn't break down

'Cause I wear my heart on my sleeve  
If you cut me I'll bleed  
I know I cannot erase  
Every mistake that I've made

I never said I was an angel, no  
I never said I wouldn't break down  
But life keeps on moving  
By now you should know

I'm only human  
Hey, hey, hey  
I'm only human  
Hey, hey, hey

I'm only human  
Hey, hey, hey  
I'm only human
