Intro:

Hey what's up man, we haven't talked in awhile bro
hope everything's going ok, if you wanna chat or
just need someone to talk to, I'm here man just hit me
up.

Cause if you NEED A PAL, OR NEED A
OR NEED A BRO, OR NEED A
OR NEED TO LEAN, OR NEED TO
Need to talk, or need to
Need to call you can
Lean on me, Lean on me

Chorus:

You can LEAN ON ME when your feelings ain't strong,
You can LEAN ON ME when you go through the storm
You can LEAN ON ME when you're feeling alone
LEAN ON ME, LEAN ON ME

Verse I

What's up hommie, what you saying dawg, you
feeling lonely?
What's the deal man, you don't call, don't you
know me?
I know you're going through some issues and a
thousand tissues
Just know your friends miss you it's not artificial
This is a call and my arm reaching out to get you
Can't forget you use a leader from the day I met you
Taught me how to rhyme got me into God and I'm
Thankful for the times and memories they still alive
If you wanna talk or chill some time hit me up I'm here
awhile
If not I understand just know you got a friend
Bro are you out there? Know that we all care,
Whether you're here or there, yo you're still in our
prayers

Chorus:

You can LEAN ON ME when your feelings ain't strong,
You can LEAN ON ME when you go through the storm
You can LEAN ON ME when you're feeling alone
LEAN ON ME, LEAN ON ME

You can LEAN ON ME when your feelings ain't strong,
You can LEAN ON ME when you go through the storm
You can LEAN ON ME when you're feeling alone
LEAN ON ME, LEAN ON ME

Verse II

We used to say we're friends for life and talk a different
way

But things had changed we moved away but who's to
say

We knew the way

If my mistake I didn't call enough or check my phone
display

I'd a come and made a day to come and watch a
game okay,

I had some issues too, trying to work it out like you

We got wives we got jobs, we got lives

We got caught in are vibe its' okay were alive

I'm just saying that we all need a friend sometime

Call me let me know hommie that you're doing
alright, Cool

Chorus:

You can LEAN ON ME when your feelings ain't strong,

You can LEAN ON ME when you go through the storm

You can LEAN ON ME when you're feeling alone

LEAN ON ME, LEAN ON ME

You can LEAN ON ME when your feelings ain't strong,

You can LEAN ON ME when you go through the storm

You can LEAN ON ME when you're feeling alone

LEAN ON ME, LEAN ON ME
