Verse I

I drop in with my face to the wind
Spin 180 for the win
But I can't find my feet it's like I lost the beat
Mid air and there's no plan B's
Hit the streets,

Look before I leap again,
Skeleton filled with Adrenalin
How can I know that I got what it takes?
When I've come so far, through the rain
Bear the pain

Makes no difference now
Face myself or get taken out
One more time got to live this loud
Back to the wall no turning around)

CHORUS:

It's too late It's my fate
I can't turn around
There's no fear, in the mirror
To hold me down
I'm too far, from the start
Now I'm in too deep

I've got to stick to the plan
Cause there's "no Plan B"

No turning back (No plan B)
There's no other path, (No plan B)

And I know that this road is my destiny
I've got to stick to the plan
Cause there's no plan B
Verse II

Get a shot, for the top on my soap box
Pop a zit go sing let my tunes talk
Cool kid, and I'm in the mood

Give me combo number 2
What's up with you?

Dude you look scared to me, better take a chair
Before you fail to see, A to Z like 3 times 3
It's the basics, homie embrace it
Come on!!

Take the shot don't waste the clock
March to the drum of the #1 spot
Born for this, victorious
Storms break off so glorious

Chorus Repeats

Bridge:

All I know is I can't turn back, all I know is I can't turn
back

Got to leave it in the past, got to leave it in the past.

All I know is I can't turn back, all I know is I can't turn
back

Got to leave it in the past, got to leave it in the past.

Cause this is the only road I've ever known,
there's no way that I could start again, Again

Chorus Repeats
