"Prison Break"

I could never say no
Making my veins glow
Take another one
Try to let the pain go

I know it's killing me
It's not my destiny

I float in outer space
I'm in another place
Then I black out
Wake up and I'm so afraid

This burden's suffocating
By a thread I'm barely hanging

All the nights, and all the lies you sold to me
I sacrificed and lost a time I'll never see
You stared and you kicked me as I crawl
Watch me stand when you thought I'd fall
I'll make this prison break

Suffering the same road
Stuck in the same clothes
When I try to run
Hunt me in my cage closed

My world is twist and tattered
My heart is beat and battered

Even when I'm shaken
About to cave in
My faith rises
I can feel my spirit raging

I pray and someone hears me
Today I'm done believing

All the nights, and all the lies you sold to me
I sacrificed and lost a time I'll never see
You stared and you kicked me as I crawl
Watch me stand when you thought I'd fall

Iâ€™ll make this prison break

I wonâ€™t keep walking blind
I wonâ€™t let down my eyes
You wonâ€™t fool me this time

Take control of my life
Manifest in the light
I wonâ€™t lay down and die!

All the nights, and all the lies you sold to me
I sacrificed and lost a time Iâ€™ll never see
You stared and you kicked me as I crawl
Watch me stand when you thought Iâ€™d fall
Iâ€™ll make this prison break
