## Verse I

There's been days I lost my way and backed down  
Time I wasted, placed you in the background  
I can't take it, parade and fake this,  
Separated tainted, it's got me on the run now  
I don't want to be on the run now  
Create a love in me I'll put it all down  
Shake the pain, replace it let me run now  
Faith is waiting I'm facing what's in front now

## Pre-Chorus

It's not like I'm not trying to work it out  
If things are, so much harder when you're not around

## Chorus:

I'm not always who you think I am  
Sometimes I feel like I'm the renegade  
And I can't just sit back and watch it fade  
This time I hope you see, I'm not the enemy

## Verse II

I'm gone a make it, shake it on the jump now  
I'm gone a break it, fade it put the gun down  
Amazing grace, mistakes erased come round  
I'm gonna do what it takes, remain and run in the race  
Saved a wretch like me you never let down  
I can see the dream I'll never let drowned  
I'm not a saint but hey I'm up above ground  
I'm now awake I'll chase I'll never run out

## Pre-Chorus

It's not like I'm not trying to work it out  
If things are, so much harder when you're not around

## Chorus:

I'm not always who you think I am  
Sometimes I feel like I'm the renegade  
And I can't just sit back and watch it fade

This time I hope you see, Iâ€™m not the enemy

BRIDGE:

Iâ€™m not a renegade, Iâ€™m not a renegade, no matter  
what you say,

Iâ€™m not a renegade, Iâ€™m not a renegade, no matter  
what you say, Iâ€™m not a renegade

Iâ€™m not a renegade, Iâ€™m not a renegade, no matter  
what you say, Iâ€™m not a renegade!!!!

Iâ€™m not a renegade!!!

Pre-Chorus

Itâ€™s not like Iâ€™m not trying to work it out

If things are, so much harder when youâ€™re not around

Chorus:

Iâ€™m not always who you think I am

Sometimes I feel like Iâ€™m the renegade

And I canâ€™t just sit back and watch it fade

This time I hope you see Iâ€™m not the enemy

Iâ€™m not a renegade, Iâ€™m not a renegade, no matter  
what you say, Iâ€™m not a renegade

Iâ€™m not a renegade, Iâ€™m not a renegade, no matter  
what you say, Iâ€™m not a renegade!!!!
