Fire in the Morning

Melissa Manchester

Steve Dorff/Larry Herbstritt/Gary Harju

I know it's late to call, I don't blame you

if you're angry

But these are things that only

old lovers understand

I remember rainy nights like this when

we'd go to bed real early

(And) try to catch each other's dreams

and wake up holding hands

We'd light a fire in the morning and

keep it burning strong

Outside it could be storming, but we

never felt so warm

We'd curl up on the couch and trade the

world for our love song

We'd light a fire in the morning and

make love all day long

I hope you know it's not that I've

got no one else to go to

Cause I keep thinking of you even
when I'm not alone
Now I'd love to hear you say I'm still
the one you can't say "no" to
and that's you'll take me back tonight
and for all the love we've known
We'd light a fire in the morning and
keep it burning strong
Outside it could be storming, but we
never felt so warm
We'd curl up on the couch and trade the
world for our love song
We'd light a fire in the morning and
make love all day long
