Well you're so dangerous
You've always got the time to
Push the world aside
Always got the time to open my eyes
Whoa....i'm on fire

Yeah you're so dangerous
You never take the time
To make up your mind
You always find the time
To push the final line
Yeah, i'm on fire

I'm turning dangerous
I'm gonna take another step to kill the wait
Another little thing to make me hesitate
Yeah i'm on fire

I'm feeling dangerous
A walk along the edge would really feel ok
Making life worthwhile it really makes the day
Yeah i'm on fire

We live in a world filled with trepidation
No time for life or you'll scare the nation
A dangerous life in a dangerous town
In a dangerous world will it keep us around

Well you're so dangerous
Never looking back at all your past mistakes
Never waste your time replaying all those days
Whoa...i'm on fire

Yeah you're so dangerous
You always take a risk to make life interesting
Always try it once it may not be your thing
Yeah i'm on fire

I'm turning dangerous
I'm gonna take another step to kill the wait
Another little thing to make me hesitate

Yeah i'm on fire

I'm feeling dangerous a walk along the edge would
really feel ok
Making life worthwhile it really makes the day
Yeah i'm on fire
