Definitely not the things that I'm seeing  
Did I think I'd see so instantly

I found a note in my grandfather's coat  
When I read it out loud I got cold

cause he said  
I'm not complaining  
yeah I was just saying  
I'm a man, I'm a lost one you see  
come down with me to a place  
we'll get clean  
and we'll meet with them eventually

you mean everything  
I don't know much but a crutch is a crutch

if it's holding you from moving on

I don't know what to do not anymore, not anymore  
I don't know what to do not anymore, not anymore

and you  
well you mean  
everything

you mean everything to nothing  
you mean everything to nothing  
you mean everything to nobody but me

you mean everything to nothing  
you mean everything to nobody but me
