I can't take another day
Life's messed up runnin' out of time
Try to pretend nothing's wrong
But the TV's on and in I'm drawn

People scared and i'm afraid
There's no way out we're on our way
Can't stop thinking bout the future
Are we gonna make it well i'm not sure

But i want to live my life
And i want to be alright
And i want to stay alive
So come on baby take my had
We're never gonna understand
We'll get dressed up and get messed up
Drive our cares away
We'll get dressed up and get messed up
Live our lives for today
We'll get dressed up and get messed up
But it still won't be okay
We'll get dressed up and get messed up
Forgetabout the day

I'm so lost inside my mind
Nothing makes sense and nothings fine
Can't start thinking bout my future
When the television tells me that the end looms near

Can't get out can't run and hide
It's inside and it's outside
TV's on can't go nowhere
Are we gonna make it well i'm not sure

Can't get out can't run and hide
It's inside and it's outside
TV's on can't go nowhere
Are we gonna make it well i'm not sure

Forget about the day
