"Hey"

Visit "[Hey](#)" on MotoLyrics.com

Well i can't stand another minute
You talk talk talk i'm dealin' with it
A person can only take so much
Before they crash and they burn from losing touch

Well i lose my control when things are
Overwhelming and confusing
Everybody talks talks talks
And then they laugh and they cry
It's all too much
And you like to me

Hey! whoa!

Well i can't think too much about it
Or my mind starts to spin around it
A person can only laugh so much
When the deception is thick yet filled with love

Now i lose my control when things are overwhelming
and misleading
Everybody wants wants wants
And then they take and they steal
Its all too much and you cry to me
