now  
i can trust in you now  
as i feel at ease  
how lost in you  
should i be

now  
i can see you clear  
as the day begins  
how lost in this  
should we be

share  
and say you'll bring  
to me deep love  
you can't say that it's too soon to say how you feel  
share and say you'll bring  
to me deep love  
just don't say that it's too soon to say how you feel

now  
as i touch you here  
as the day begins  
how lost in this  
should i be

share  
and say you'll bring  
to me deep love  
you can't say that it's too soon to say how you feel  
share and say you'll bring  
to me deep love  
just don't say that it's too soon to say how you feel

....

share  
and say you'll bring  
to me deep love  
you can't say that it's too soon to say how you feel  
share and say you'll bring  
to me deep love

just don't say that it's too soon to say how you feel

share

and say you'll bring

to me deep love

you can't say that it's too soon to say how you feel

share and say you'll bring

to me deep love

just don't say that it's too soon to say how you feel
