Is there a way to get away from  
The worst of it all to consume my fall  
I keep runnin' away but i'm going nowhere  
Just hiding myself i can feel them stare

There must be a way to get out of here  
No friends i can call we don't talk anymore  
But i'm losing myself as i'm taking your hand  
Its too easy to do cause you don't understand me

No direction  
Where will i go will i find anyone  
No direction  
They say it's up to me  
No direction  
Where will i go will i find anyone  
No direction  
They say it's up to me

I try every day to just find a way to make  
It through & to stay with you but i'm  
Losing myself as i'm taking your hand  
Its too easy to do you don't understand

I try everyday to just find a way to  
Figure it out what this lifes all about  
But i can't take anymore i've done what i can  
Please leave me alone cause you don't understand me

No direction  
Where will i go will i find anyone  
No direction  
They say it's up to me  
No direction  
Where will i go will i find anyone  
No direction  
They say it's up to me

Is there a way to get away from  
The worst of it all to consume my fall  
I keep runnin away but i'm going nowhere

Just hiding myself i can feel them stare

There must be a way to get out of here  
No friends i can call we don't talk anymore  
But i'm losing myself as i'm taking your hand  
Its too easy to do cause you don't understand me
