Several Woman's magazines  
Stacked up on top of a picture of me  
When I tried to call  
No one answered

It's not even that I'm all angry  
Just kind of confused why you do this thing  
You said, there's an understanding

I offer you a small dog in the kitchen

I just wanted you to feel at home

And that's why I'm fine  
I am fine, I am fine, I am fine  
I just need 100 dollars  
And I am fine, I am fine, I am completely fine  
I just need 100 dollars  
From you  
And you and you  
And you and you
